Measure a Snowman!

Follow the directions below to create your own snowman.

___Make the bottom snowball exactly 7 ½ inches wide.
___Make the middle snowball exactly 5 ½ inches wide.
___Make the top snowball exactly 3 ½ inches wide.
___Add a hat that is exactly 5 cm tall.
___Add a carrot nose that is exactly 2 inches long.
___Make a scarf that is 12 cm long.
___Add stick arms that are 8 cm long.
___Put a tree in the background that is 10 inches tall.

Now add eyes, a mouth, and buttons and decorate the background any way that you would like.
