Special Notes To Teacher:

- The students are familiar with story elements of Koala Lou and can summarize successfully based on the previous lesson.
- The teacher will need to create a guide for dramatization such as the example below and assign scenes prior to opening. The guide should be charted for all to view.
- Several copies of Koala Lou will be helpful during this lesson.
- The teacher will model examples of acting out scenes with a narrator to build schema (background knowledge).
- The teacher will have a noise maker (ex. rain stick, tambourine, chimes, etc.) to signal scene changes.
- Scene assignments will be decided prior to lesson.

Guide for Creating Koala Lou Script

Procedures, Directions, and Resources

Procedures/Directions (Detailed Steps) with Approximate Duration of Each Step:

Opening: (15-20 minutes/suggested)
1. Gather students for opening. The teacher will hold up a copy of Koala Lou asking for volunteers to summarize story and to share the repetitive text.
2. The teacher will state EQ and define dramatization.
3. The teacher will model acting out a scene with one narrator (reading from the text or summarizing from the text).
4. The teacher will share example scene assignments and announce preselected scene members (posted on a chart).
5. The work time task will be to practice the dramatization of your scene(s). Decide on speaking parts and rehearse for the presentation. (One student may summarize scene for group presentation.)
6. Hand out any extra copies of Koala Lou if available.
7. If time allows students may create costumes and/or props (optional).
8. The teacher may set the timer for 25-35 minutes if needed.

Work time (25-35 minutes/suggested)
1. As the students begin their discussion monitor accordingly.
2. Offer any assistance needed but allow for individual ideas to be expressed.
3. When you are observing look for oral communication that mimics text.
4. Students may create props and/or costumes if desired.

Closing (15 minutes/suggested)
1. Students should sit in a large circle with group members near each other.
2. The teacher will model the signal of the noise maker as to change scenes.
4. End with celebrations and reviewing EQ, “How did dramatization help with our understanding of this story?”
