

Name: _____ Date: _____

Task

Part 1: Choose one of your crazy polygons or a regular polygon and transform (change) it into a new picture. Try to make a connection to something else in the world or in your imagination. Use creativity and lots of details!

Before	After

Part 2: Choose one writing task and complete task on a separate sheet of paper.

<u>Choice 1</u>	<u>Choice 2</u>	<u>Choice 3</u>
Tell what your polygon has turned into and why you chose that item.	Describe your transformation using plenty of details and sensory words.	Create a story about your transformation using an appropriate beginning, middle, and end.
